Spirit Prepaid Reloadable Visa* Cardholder Agreement

The Spirit Prepaid Reloadable Visa Card is issued by Vancity Community Investment Bank™, a subsidiary of Vancouver City Savings Credit Union. We urge you to read this Agreement carefully as the Card is subject to the terms and conditions contained in this Agreement.

1. Introduction

The following terms and conditions of this Agreement govern the Card and is our agreement with you with respect to your Card. By requesting, signing the back of, or using a Card, you agree to be bound by the terms and conditions of this Agreement. All capitalized terms used in this Agreement have the meanings set out in Section 3.3.

2. Important Information

2.1 Card Information, Balances, and Transactions

For questions about this Agreement or your Card Balance call 1.844.893.6622 or go online to www.spiritcard.ca. Paper statements are not provided.

2.2 Card Restrictions

You may only use the Card to pay for goods and services from merchants who accept Visa, to withdraw funds from authorized ATMs and to obtain cash advances from financial institutions who issue Visa cards, subject to their approval process. Some merchants may not accept the Card for online or over-the-phone transactions. The Card cannot be used (i) for “cash back” transactions (i.e. transactions for an amount greater than the price of goods or services purchased); or (ii) for writing cheques on the outstanding Balance of available funds. The Card is not refundable.

2.3 No CDIC Insurance

Funds on the Card are not insured by the Canada Deposit Insurance Corporation.

2.4 No Expiry

Funds on the Card do not expire, however, the Card may not be used after the last day of the month on the front of the Card shown as the “good thru” date.

2.5 Lost or Stolen Cards

You will be liable for any and all losses, damages and expenses if:

- (a) your Card is lost or stolen (except you will not be liable for any charges incurred on your Card through merchants which are identified by us as unauthorized);
- (b) your Card is misused with your consent;
- (c) you have been negligent;
- (d) you have acted fraudulently.

If your Card is lost or stolen, or if someone else may know your Card number or PIN, you must notify us immediately by calling 1.844.893.6622 and provide your name, the Card number, the “good thru” date, original value and transaction history to us. Always keep a secure record of the Card number, date of expiry and your Card transactions for this purpose. All transactions carried out prior to such notification shall be deemed to have been authorized by you.

2.6 Split Payments

If a merchant allows, you may be able to use your Card to combine payment types, often called “split payments” (e.g. for a \$20 purchase, using a \$10 cash payment and a \$10 Card payment). If you wish to conduct a split payment and it is permitted by the merchant; (i) tell the merchant to clear the Card Balance; or (ii) if you know your Card Balance, tell the merchant to charge to the Card only an exact amount of funds, which must be equal to or less than the available Card Balance. You must then arrange to pay the difference using another payment method.

7.3 All loads must be in Canadian dollars.

8. Use of the Card

8.1 All use of the Card is limited to the Card Balance, as shown on www.spiritcard.ca, and is subject to the limits set out in Section 9 below.

8.2 The Card is for the Primary Cardholder or Companion Cardholder's use alone, as applicable, and will expire on the last day of the month and year printed on the front of the Card shown as the "good thru" date. The Card may not be used for any purpose after expiry.

8.3 When you present your Card to a merchant, the merchant will prepare a sales receipt which you may be asked to sign. You will receive a copy of the sales receipt and you should keep each receipt until the transaction appears on your Balance. This will help you to keep track of your spending and transactions shown on your Account.

8.4 You agree that we are not responsible for any failure by a merchant to verify the signature on any sales draft prepared in connection with a transaction on your Card and we may authorize and process a transaction even if the signature on the sales draft is different than the signature on your Card.

8.5 The use of your Card to purchase goods and services from merchants constitutes a simultaneous debit from and/or demand upon the available funds on your Card. For each transaction, the amount of the transaction and any applicable fees will be debited from the Balance and will reduce your available Balance by that amount.

8.6 Each transaction requires authorization or validation before completion. You acknowledge that once a transaction is authorized, whether or not you have received the goods or services at the time of authorization, the Balance will decrease by the amount of such authorization.

- 8.7 If you initiate a transaction with a merchant and subsequently cancel the transaction with the merchant, any completed authorization will remain on your Account for 7 days. The debit will be removed from your Balance after the 7 days.
- 8.8 Merchants such as hotels, restaurants, mail order merchants, cruise lines, taxis/limos, health and beauty merchants and car rentals may obtain authorizations in advance for Card transactions in an amount greater than the final transaction amount (temporarily affecting the Card Balance). Any amount required as a pre-authorization at car rental merchants or hotels will be debited from your Card Balance. If after 30 days no final charge is submitted to us by the merchant, the pre-authorization will be removed from your Account and the amount of such pre-authorization will be credited to your Balance.
- 8.9 If a negative Balance is created following any transaction using the Card or as a result of the debit of any fee, you agree to pay immediately to us the amount of such negative Balance. If you fail to pay such amount within 60 days, the Card may be cancelled.
- 8.10 If you have a problem with a purchase you make with the Card or a dispute with a merchant, you must deal directly with the merchant involved. If you are entitled to a refund for any reason relating to a Card transaction, you agree to accept the refund under the policy of the specific merchant with whom the original purchase was made. Refunds may be in the form of a credit to your Card, cash refund or in-store credit at the discretion of the merchant.
- 8.11 You do not have the right to stop the payment of any transaction you conduct with the Card.
- 8.12 The Primary Cardholder is responsible for all authorized transactions initiated by the use of the Primary Card and all linked Companion Cards and for all losses as set out in Sections 2.5 and 14. In addition, the Companion Cardholder is responsible for all authorized transactions initiated by the use of his or her Companion Card and all losses relating to such Companion Card as set out in Sections 2.5 and 14. If you permit someone else to use your Card, you agree that we may refuse to authorize any transactions initiated by such person with your Card, but if we authorize any such transactions we may treat such person as authorized by you to use your Card and you authorize us to debit the amount of such transactions from the Balance.
- 8.13 You may use your Card for split payments as set out in Section 2.6 above.
- 8.14 The Card may not work at unattended terminals, such as parking or pay at the pump gas stations, due to security features on the Card.
- 8.15 You may use your Card for online transactions (except as otherwise noted in this Agreement), however, due to the many different security features of various websites, we cannot guarantee that your Card will be accepted and a transaction approved through any particular website.
- 8.16 You may use the Card to obtain cash by using your PIN at any ATM displaying the Visa Network logo. Each ATM transaction will be debited from the Card Balance. The transaction record produced by the ATM will evidence your instructions and is conclusive and binding upon you. An ATM fee will apply, in addition to any fees charged by the ATM service provider.
- 8.17 You may also use the Card to obtain cash by completing a cash advance at any financial institution issuing Visa cards, subject to their approval process and any fees the financial institution may impose.
- 8.18 We may decline a transaction if we suspect it may be illegal, unauthorized, fraudulent, or otherwise not permitted under this Agreement.
- 8.19 We may, from time to time, change the types of transaction which may be available or the businesses which may accept your Card at point of sale. You may call the Customer Service Number to find out whether you may use your Card for a particular type of transaction.
- 8.20 You may use the Card to make pre-authorized and recurring payments.

10.5 If you notice any error or omission relating to the transactions on your Card as recorded in your Balance then you must notify us immediately at 1.844.893.6622. We may ask you to provide additional written information about any error or omission. If you do not notify us within 30 days after the date of a transaction of any error or omission relating to the transaction, the record of the transaction in your Balance will be conclusively deemed to be correct except for any amount improperly credited to the Card. A microfilm or other copy of an electronic record of a sales draft or other document relating to a transaction will be sufficient to establish your authorization, and any other details, of the transaction.

10.6 Provided that you have complied with our reasonable requests for information, we will correct the error if it is ours, or any of our service providers' fault. If we decide it is not our fault, we will notify you in writing or by e-mail as soon as our decision is made.

10.7 If we decide we are at fault, there may be a delay in crediting your Card for the error while our investigations are completed, normally within 10 days.

11. Card Services

We may provide or make available to you special Card Services which may be paid for with the Card. We will explain the terms and conditions of these Card Services at the time that we provide or make these Card Services available to you. The terms and conditions of this Agreement will still apply to any Card Services you choose to accept, except to the extent modified by the terms

and conditions of the Card Services. Any Card Service may be discontinued without notice, subject to the terms and conditions that apply to the particular Card Service. We are not liable for any Card Services provided by a third party.

12. Foreign Currency Transactions

12.1 All transactions will be recorded in your Account in Canadian currency only.

12.2 If you make a purchase or obtain funds with the Card in a currency other than Canadian currency, you authorize us to convert the amount of such transaction to Canadian currency based on the rate charged by the Visa International network on the day we process the transaction, plus an administration fee of 2.50% of the amount of the transaction. We will also convert credits (e.g. refunds or returns) in a foreign currency to Canadian currency based on the rate charged by the Visa International network on the day we process the credit, plus an administration fee of 2.50% of the credit.

12.3 You acknowledge that the exchange and administration costs of currency conversion will be incurred for both debits (e.g. purchases and ATM withdrawals in foreign currency) and credits (e.g. refunds or returns in foreign currency) to your Account. These costs and variances in foreign exchange rates will usually result in the amount of a debit for a purchase exceeding the amount of the corresponding credit for a refund or return of such purchase. You also acknowledge that any credit for a refund or return may be processed on a date that is later than the date on which the corresponding debit for the original purchase is processed, and a change in the applicable rate of exchange between such dates may further reduce the amount of the credit for the refund or return.

13. Card and Personal Identification Number (PIN) Security

You must ensure you keep the Card and PIN secure by:

- a. never allowing anyone else to use your Card;
- b. not interfering with any magnetic stripe on the Card;

14.1 You are not responsible for unauthorized purchase or ATM transactions unless: the transactions are made by someone who you allowed to use the Card or to whom you gave the Card number (other than a merchant); you fail to maintain the confidentiality of your PIN; you do not keep your PIN separate from the Card and the Card is lost or stolen; or you do not notify us that the Card has been lost or stolen or that someone has your Card number or PIN as set out in Section 14.2.

14.2 If the Card is lost or stolen, or if someone else may know your Card number or PIN, you must notify us immediately by calling 1.844.893.6622 and provide your name, the Card number, date of expiry, original value and recent transaction history to us. Keep a secure record of the Card number, date of expiry and your transactions separate from the Card. Do not share your Card number unless you call 1.844.893.6622 and are asked by the Cardholder Services team.

14.3 The Card will be replaced at your request if it is lost or stolen, subject to the following conditions:

- (a) you must notify us in the event the Card is lost or stolen as set out in Section 14.2;
- (b) we reserve the right to: conduct an investigation into the validity of any request; require verification of your identity; and require you to provide an affidavit in connection with your request;
- (c) it may take up to thirty 30 days to process your request; and
- (d) replacement card fees will apply.

15. Replacement Cards
